

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because

I love you today because
